FUN-FILLED MEMORIES

Childhood summers should be filled with fun experiences and this is what Salesian Day Camp does. We help campers make friends, build trust, learn team work, and discover interests. At Salesian Day Camp, we love helping build a legacy of summer memories that your child will recall for years to come.

OUR STAFF

Our talented and energetic Staff (some are former Club and Camper members) provide Salesian Day Campers with a camp experience that is both safe and enjoyable. With the added support of the Salesian Sisters and Salesian Boys' and Girls' Club leadership, Day Camp Staff provides a secure and family like environment for all children to explore a variety of interest and just enjoy being kids.
