OUR MISSION

The Salesian Boys' & Girls' Club's mission is to serve children between the ages of 8 and 18 by accompanying them, with loving kindness, on their journey to young adulthood. This is done by channeling their energy into athletic, educational, cultural, artistic, and career-building programs. All children are welcome regardless of race, religion or gender, and special emphasis is given to children from disadvantaged families.

CLUB OVERVIEW

The name Salesian comes from the life of St. John Bosco, a 19th-century Italian priest, who observed the unsettling influence that the Industrial Revolution was having on Italian youth. He knew that patience and understanding was the way to approach young people. He chose Sales as his patron name for St. Francis de Sales who, as it was told, transformed from someone who was quite fiery to a man of a more gentle nature. The order Salesians of St. John Bosco was founded and has become known for their good work with youth.

In 1921, Fr. Oreste Trinchieri arrived in North Beach and found that the neighborhood boys were suffering an effect similar to that of their 19th-century Italian counterparts. Realizing the boys needed a positive outlet to temper their raucous energy, Fr. Trinchieri founded the Salesian Boys' Club. Decades later, the Salesian Girls Club was established, and in 1994, the Boys' Club and Girls' Club merged, and came to be as it is now known: the Salesian Boys' and Girls' Club of San Francisco.
